Dear Chris Rowley

Re: Club Affiliation

I am pleased to confirm Rusilip Northwood have completed the necessary elements to reach the required standard for Club Affiliation. This will allow the club to remain affiliated to Swim England for the forthcoming year.

Please be aware that it will be necessary for clubs to complete Club Affiliation on an annual basis in the lead up to membership renewal.

It may now be a good time to look to complete SwimMark Essential for your club – this requires an additional ten elements in addition to those you have already completed for Club Affiliation.

If your club goes on to achieve SwimMark Essential you would be eligible for the following: [www.swimming.org/swimengland/swimmark-accreditation-for-clubs/](http://www.swimming.org/swimengland/swimmark-accreditation-for-clubs/).

To find out more, please contact [clubdevelopment@swimming.org](mailto:clubdevelopment@swimming.org) or visit the Swim England website <https://www.swimming.org/swimengland/clubs-home/>

Have you completed your Club Health Tracker yet? Feedback from clubs has been very positive so far and there are many benefits to your club for getting involved. It will take around 10 - 15 minutes to complete the multiple choice self assessment tool and then you will instantly see your results. Find out more here <https://www.swimming.org/swimengland/club-health-tracker-launch/>. If you would like us to re-send your log in and password or any additional support, please email us at [clubdevelopment@swimming.org](mailto:clubdevelopment@swimming.org).

Thank you for your commitment to Club Affiliation.

Yours sincerely
